The Prophets

- Called by God, spoke God's word to the people
- The people wanted to hear on their own terms, so they listened to the prophets and not to God's word
- Offer their messages began with words from the Lord and they were to be heard
- They did not want to hear it, they did not want to be told that they were wrong and that they were to be judged for all time
- They did not want to hear their hearts to be
- They were told to be holy and to be just, to be like the angels and the saints
- The prophets were persecuted and punished for speaking for God
- The people did not see the light and the truth that was in the word of the Lord
- They did not see the world as it is, they did not see the world as it should be
