

## Domestic Violence Fundraising

Thank you for your contributions for our Domestic Violence Fundraising. 32 members and friends of PCCC have responded to the growing community need of domestic violence in Hawaii. Please join us as we extend our love to all people who are hurting from domestic violence.

### ADDRESSING DOMESTIC VIOLENCE

Pearl City Community Church's (PCCC) Board of Missions unveiled a special fundraising appeal on Valentine's Day this past Sunday. Valentine's Day is a day of celebration for many individuals and families. Yet, not everyone received expressions of love and affection this year. There are many who face domestic violence.

PCCC's fundraising appeal is dedicated to two non-profit organizations who are working hard to address domestic violence here in Hawaii. The organizations are:

- Domestic Violence Action Center <https://domesticviolenceactioncenter.org>
- UCC Transition House <https://www.hcucc.org/transition-house>

Please join us by sharing your love and support of these organizations. Your financial donation may be sent directly to these organizations. The donations offer hope and love to individuals and families who face domestic violence.
